Good morning, Warrior Parents and welcome to a new school year. We are honored to partner with your family in your child's education. We have already been preparing and praying for a wonderful school year.

This is the first of a few emails I will send gearing up for the new school year. Please read the information carefully and let me know if you have any questions.

1. Please review the [Student/Parent Handbook](#) with your child. One important step to success is knowing what is expected of you.
2. Have your [school supplies](#) ready. A list can be found here. Please note that we are adding a few Bible translations to our list, so please wait until after the first day of school to purchase a Bible when your teacher will tell you which one he/she prefers. We will also have Bibles available for purchase for \$10 if you have trouble finding the selected translation. Please bring any shared supplies (tissues, hand sanitizer, wipes, etc.) to Open House to drop off.
3. Make plans to attend our Open House on Friday, August 19th at 6:30. Open House is a good opportunity to see your child's class schedule and meet teachers. For any new students to our campus, you are invited to a pre-Open House meeting that starts at 6:00 in our Chapel. This year, we will also have locker rental open, so bring \$10 and have your locker secured in advance.

Keep watching your email for more important information. Being informed is one way to ensure a successful start of the school year.

(If you have received this email in error, please reply to be taken off the email list.)

All the best,

Angela Wooton
