Monday Aug 29, 4:30PM

Good day, parents! I hope you feel that the first week of school went as well as I do! As you know, COVID changed the way we did most of our school day. We are excited to be back to some of our normal school routines. My favorite part is seeing parents back on campus! We have missed you!

We are looking forward to a great school year! Here are some ways you can help:

**1. Get connected to our Class Dojo community.**

Our Class Dojo platform is where we will post morning announcements, the Friday Notice, and other school announcements and events. It's also a great place to see when teachers post homework, announcements, or even pictures and updates from the school day.

**2. Help us with afternoon pick up traffic.**

- K3 - K5 parents are encouraged to start picking up at 2:45.
- 1st - 5th parents are encouraged to wait until 3:00, which is the official end of the school day for those grades.
- Parents interested in speaking with the teacher should park in the front parking lot and walk in.
- We ask that parents remain in or by their vehicles in the carline to keep it moving.
- Please have your child's number displayed in the dash of your car.

**3. Volunteer to coach.**

We love to offer extra curricular opportunities for our students. Right now, we are looking for people interested in coaching or helping with sports. We are currently offering co-ed flag football and cross country to our students in 3rd - 12th grade.

**4. Keep students hydrated.**

Especially during these hotter months, it's important that students have plenty of water. Students should either come to school with a bottle that can be refilled or come with plenty of their own water from home.

Thank you so much for being a part of our Free Will family! We are glad you and your student are here!
